

SING14

FIRST ANNOUNCEMENT AND CALL FOR ABSTRACTS

14th European Meeting on Game Theory (SING14)

July 16th – 18th, 2018

Bayreuth, Germany

www.sing14.org

The organising committee has the pleasure of inviting you to participate in the **14th European (formerly Spain-Italy-Netherlands) Meeting on Game Theory (SING14)**. It is the fourteenth meeting in the series of European Meetings on Game Theory – formerly known as Spain-Italy-Netherlands Meetings on Game Theory.

The fourteenth meeting is organised by the **Professorship of Economics IG of the University of Bayreuth (Germany)**.

Topics

We welcome contributions from all areas of game theory, including, but not limited to:

- Cooperative games and their applications
- Mechanism design
- Networks
- Dynamic games
- Evolutionary games
- Stochastic games
- Voting and power indices
- Auctions
- Bargaining
- Learning and experimentation in games
- Computational game theory
- Game theory applications in fields such as: management, energy, health policy, industrial organization, and others

SING14

Local Organising Committee

Frank Steffen - Chair, University of Bayreuth

Uriel Braham - University of Bayreuth

Carmen Schreyer - University of Bayreuth

Maximilian Schreyer - University of Bayreuth

Submissions

Submissions of extended abstracts (not exceeding 2 pages) are to be made online through the conference website: www.sing14.org/pages/submission.php.

The decision concerning the acceptance of presentation will be made on the basis of the extended abstract submissions.

SING – Best Student Paper Prize

For young researchers there exists the possibility to apply for the SING – Best Student Paper Prize. Further information about the procedure to apply and the eligibility conditions can be found on the conference webpage: www.sing14.org/pages/singprice.php.
